Found Boy In Bed—

Sheriff John M. Woolson received a call shortly after nine o'clock Wednesday evening to come immediately to Fairview, South Vernon, to assist in locating Paul Dial, aged 10 years, son of Mr. and Mrs. Fred Dial, who was reported lost. The sheriff went to the scene with Deputy Sheriff Mossholder. At the Bishop home he found that about fifty neighbors had assembled with lanterns to assist in the search. Mrs. Dial was prostrated and several women were fanning her and pouring cold water on her head. She was of the opinion that her son had been drowned. Before starting to the river to search for the body, the sheriff asked if he might look through the house to see if the boy was home. The sheriff went to an upstairs room and there found the boy sleeping peacefully in his bed. The mother was notified and joyfully took the boy in her arms. The neighbors dispersed and the sheriff and his deputy returned home after having received the hearty thanks of Mrs. Dial.

Petition In Error—

On Wednesday afternoon Judge Fulton of Newark granted leave to file a petition in error in the court of common pleas of Knox county in the case of Jesse Rinehart vs. the State of Ohio. In this case the plaintiff in error was convicted in the mayor's court of selling intoxicating liquor in violation of the Rose law. In the petition for error seven reasons are given by plaintiff wherein he believed the lower court erred. Lot C. Stillwell is the attorney for the plaintiff in error.

ARREST

Man In Mt. Vernon Wanted In Newark

For Having A Seine In His Possession

(Newark American Tribune)

One of the immediate results of the arrest of the man Plenner, just east of the city, early this week was to get a tip of another seine.

Yesterday the wardens, Charlton and Molinsky, appeared before Justice Jones and filed an affidavit against Sidney Plenner, who is working in Mt. Vernon. They went at once to that place and found Plenner at work in the local Pennsylvania R. R. shops. A search of his stopping place resulted in finding the outlawed property.

They called Justice Jones and asked him to remain in his office till 6:00 p. m. in order to arraign Plenner. The latter pleaded guilty to having the seine in his possession and was fined \$25 and the costs.

SUDDEN WAS DEATH

Of Wilson S. Cummings At Montrose, Colorado

Fredericktown's Most Prominent Citizen Dies

While On A Pleasure Trip Through The West

Had Large Business Interests In His Home Town

The Funeral And Interment At Fredericktown

Fredericktown, O., July 31—Wilson S. Cummings, one of Fredericktown's most prominent and influential citizens, died very suddenly at 5:30 o'clock Wednesday evening at the home of Mr. Ralph Whitford, Montrose, Colorado. Mr. Cummings' death was due to an attack of heart trouble.

Mr. Cummings left his home in this place some two or three weeks ago on a business and pleasure trip through the West. He visited at Lamar, Colorado, and letters from him at that point stated that he was enjoying the best of health. From Lamar he went to Montrose to visit with Mr. Whitford, a former resident of this place.

The message announcing his death came as a severe shock to his family and friends here. No particulars were given in the dispatch received last evening.

Wilson S. Cummings was 71 years of age last February. He was born in Richland county, and was married in 1876, to Miss Marietta Trimble, whose death occurred in 1904. To this union two sons were born, one now surviving, Mr. Paul S. Cummings of this village.

In 1909 Mr. Cummings was united in marriage to Mrs. Anna Boyd, who survives him. Mrs. Cummings and daughter have been in Pittsburgh and were notified of Mr. Cummings' death by wire on Wednesday evening. They returned to Fredericktown on Thursday. The deceased is also survived by one sister, Mrs. D. W. Struble of Fredericktown and by one brother, J. F. Cummings of Santa Paula, California.

Mr. Cummings was a resident of Fredericktown practically all his life. During his early years he worked as a clerk in a dry goods store and later engaged in business for himself. During more recent years he was engaged in various pursuits and had numerous business interests. He held a large interest in the Bell Foundry Company and for 22 years was proprietor of the Fredericktown Free Press. Six years ago he disposed of his ownership of the paper to Mr. F. A. Day. Mr. Cummings was also a stockholder in a lumber company and a number of other companies located in Fredericktown and elsewhere.

In church affairs Mr. Cummings was quite active and was a member of the M. E. church of this place. He was affiliated with Thrall Lodge Free and Accepted Masons and was one of the oldest members of the body.

The body will be brought to this place, but the complete arrangements for the funeral have not been completed. The funeral services will occur either Sunday or Monday. Announcement to be made later.

SHOOTING

At St. Louisville Causes Much Excitement

St. Louisville, O., July 31—This village was stirred last evening by a shooting affray participated in mainly by John McDaniel.

It grew out of a quarrel between McDaniel and his nephew, Charles Belt. The latter pursued the trouble to the gates of the McDaniels residence and walked through an alley making remarks which were marked by the loud tone of voice and the pointedness of their reflection on the uncle.

McDaniels has an old-fashioned shotgun which was loaded with a handful of black powder, and the noise made when he shot at Belt stopped all snoring in the place. He raked the alley, but in some way missed Belt who took no further chances and fled. Marshall Wm. Crawford arrested McDaniel and placed him in the village lockup. Belt was brought in later by Deputy Marshal Wm. B. Jones and he pleaded guilty to the charge against him and Mayor Kootz assessed a fine of \$5 and costs.

The gun-user was fined today in a hearing before Mayor Kootz. McDaniel is an old-time veteran of the civil war, and only for the fact that his eyesight has failed in a half century that Belt escaped being a heat victim.

PLAN

To Have Outing For Mt. Vernon People

At Cedar Point On Thursday, August 28

(Communication)

A great many business men in Mt. Vernon and surrounding towns have expressed their disappointment at not being able to attend the outing held at Cedar Point by the Cooper-Bridge Co. Employees on account of the fact that it was held on Saturday, this being the busy day of the week for merchants. Also a similar disappointment has been expressed by the farmers owing to the fact that the date came just at a time when they were compelled to be loyal to their corn field rather than participate in a day of pleasure.

It has been suggested that, arrangements be made with the B. & O. R. R. Co. to furnish equipment to take the people of Knox Co. to Cedar Point Thursday, August 28th. This seems to be an ideal time as this day most of the merchants of Mt. Vernon close during the afternoon and could, no doubt, close all day without doing any damage. Also, the rush work of the farmers will be over at that time.

The main and most important point is this, "Do the people of Knox Co. want to have a county picnic at Cedar Point August 28th, and are there people enough interested to make themselves a self-appointed committee of one to 'boost' the project. Other counties are having outings of the kind, why shouldn't 'Knox'?"

Holmes county took a large crowd to Cedar Point yesterday, all the business houses in Millersburg closing up for the occasion. Coshocton closes up for a day every year and takes several thousand people to Cedar Point—Why to Cedar Point, do you say? Because it has the most attractive features of any of the other resorts in as much as it is located on the lake with its fine bathing beach and if one does not care to spend all or even part of the day at the Point he can take a boat most any hour for Lakeside, Kelly's Island or Put-in-Bay. Most every one is anxious to visit Put-in-Bay during the "Perry Centennial" and an excursion of the kind would give the opportunity.

If there are any citizens of Knox county who care to express their opinion or desire in regard to a project of this kind please do so through the columns of this paper.

If an outing of this kind is a "boost" to other counties, and it has been so demonstrated, it surely would be to Knox county. So get into line and boost.

If the White Sox can land an Indian and a Cuban they will have the real thing in the way of a line-up for their coming world's tour. They have an Italian and an abundance of French, Dutch and Irish, but are shy a redskin and a clear Havana.
